

Regular MeetingJune 14, 1999

A Regular Meeting of the Municipal Council of the City of Kelowna was held in the Council Chamber, 1435 Water Street, Kelowna, B.C., on Monday, June 14, 1999.

Council members in attendance were: Mayor Walter Gray, Councillors A.F. Blanleil\*, M.I. Bremner, R.D. Cannan, C.B. Day, R.D. Hobson, J.D. Leask, J.D. Nelson and S.A. Shepherd.

Staff members in attendance were: City Manager, R.A. Born; City Clerk, D.L. Shipclark; Director of Planning & Development Services, R.L. Mattiussi\*; Current Planning Manager, A.V. Bruce\*; Long Range Planning Manager, L.V. Foster\*; Community Planning Manager, T. Eichler\*; Planning & Development Officer, G. Routley\*; Director of Parks & Leisure Services, D.L. Graham\*; Parks Manager, J. Creron\*; Parks Coordinator, R. Zahara\*; Transportation Manager, R.W. Westlake\*; Roadways Engineer, M. Duggan\*; Licensing & Bylaw Enforcement Supervisors, M.A. McCorkell\* and Al Dixon\*; Inspections Supervisor, G. Moller\*; and Council Recording Secretary, B.L. Harder.

(\* denotes partial attendance)

1. CALL TO ORDER

Mayor Gray called the meeting to order at 1:30 p.m.

2. Councillor Bremner was requested to check the minutes of the meeting.

3. PUBLIC IN ATTENDANCE

3.1 Frank Williams, Central Okanagan Foundation re: "Our Millennium" Project

Frank Williams explained that the Millennium Project is a national program being fostered and promoted by community foundations across Canada. The intent of the program is to encourage groups to undertake a project to celebrate the millennium. Foundations across the country will be maintaining registries and groups taking on a millennium project are being encouraged to register their project and be recognized.

Mayor Gray read a proclamation declaring the 19 month period commencing June 1, 1999 as Our Millennium Celebration Period.

3.2 Jan Enns, Waste Reduction Coordinator, Regional District of Central Okanagan (RDCO) re: Recycling 2000 Update

Len Novakowski, RDCO Director and Chair of the Solid Waste Management Committee, recognized the work municipal and regional district staff have done in managing and developing recycling programs.

Jan Enns, Waste Reduction Coordinator, brought Council up to date on the blue bag pilot project for curbside recycling which she noted runs until the first week in July. She summarized the research that has been done and the programs being considered for the next garbage collection contract which expires June 2000.

Regular MeetingJune 14, 1999

- 3.3 Alex Johnston, Crime Prevention Coordinator and Ed Wilkins, Neighbourhood Watch Coordinator re: Neighbourhood Watch Program

Alex Johnston, Crime Prevention Coordinator, advised the Neighbourhood Watch program has been around for a number of years but resourcing was not available for the follow-up required. Ed Wilkins has experience with neighbourhood associations within the community and he is now doing the follow-up and reinforcement needed to keep people involved in the program. It is hoped the program will be self-funding.

Ed Wilkins, Neighbourhood Watch Coordinator, outlined how he intends to raise the profile of the neighbourhood watch program and advised that the community policing office in the Okanagan Mission will be the coordinating office for the program within the city.

#### 4. CORRESPONDENCE

- 4.1 Kelowna Chamber of Commerce, dated June 8, 1999 re: Request for the City to Participate in a Study re Potential Hotel Tax (0230-20-80)

The City Clerk summarized the letter.

Bonnie Bates-Gibbs, General Manager of the Kelowna Chamber of Commerce, advised the study will take 4-5 weeks.

Moved by Councillor Leask/Seconded by Councillor Bremner

**R481/99/06/14** THAT Council allocate \$4,280 as the City's share of a study jointly funded by the Kelowna Chamber of Commerce, the Kelowna Hotel/Motel Association, and the City of Kelowna, looking into tourism revenue generating programs in similar sized communities in the Pacific Northwest;

AND THAT the funds be appropriated from Council Contingency.

Carried

Council asked that the Chamber of Commerce report back with the results at the conclusion of the study.

#### 5. PLANNING

- 5.1 Planning & Development Services Department, dated June 7, 1999 re: Development Permit Application No. DP99-10,026 – Erhardt Wahl and Al Stober Construction Ltd. (Doug Lane/Water Street Architecture) – 510 Rosemead Avenue (3060-20)

Mayor Gray asked that the next report be presented concurrent with this report since they are similar and both on the same street.

The Current Planning Manager indicated the properties on maps displayed on the overhead projector and described the façade improvements proposed to both apartment buildings.

Regular MeetingJune 14, 1999Moved by Councillor Blanleil/Seconded by Councillor Cannan

**R482/99/06/14** THAT Municipal Council authorize the issuance of Development Permit No. 99-10,026; for Lot A, D.L. 139, O.D.Y.D., Plan 22478, located on Rosemead Avenue, Kelowna, B.C., subject to the following:

- .1 The dimensions and siting of the building to be constructed on the land be in general accordance with Schedule "A";
- .2 The exterior design and finish of the building to be constructed on the land be in general accordance with Schedule "B".

Carried

- 5.2 Planning & Development Services Department, dated June 7, 1999 re: Development Permit Application No. DP99-10,029 – Erhardt Wahl and Al Stober Construction Ltd. (Doug Lane/Water Street Architecture) – 511 Rosemead Avenue (3060-20)

Moved by Councillor Blanleil/Seconded by Councillor Cannan

**R483/99/06/14** THAT Municipal Council authorize the issuance of Development Permit No. 99-10,029; for Lot A, D.L. 139, O.D.Y.D., Plan 22176, located on Rosemead Avenue, Kelowna, B.C., subject to the following:

- .1 The dimensions and siting of the building to be constructed on the land be in general accordance with Schedule "A";
- .2 The exterior design and finish of the building to be constructed on the land be in general accordance with Schedule "B".

Carried

- 5.3 Planning & Development Services Department, dated June 7, 1999 re: Development Permit Application No. DP99-10,049 – K. Kaminski Construction and Wendy Cypes (Kurt Kaminski) – 1774/1776/1778 Baron Road (3060-20)

The Current Planning Manager indicated the property on maps displayed on the overhead projector and described the façade improvements proposed to the existing commercial building.

Moved by Councillor Hobson/Seconded by Councillor Shepherd

**R484/99/06/14** THAT Municipal Council authorize the issuance of Development Permit No. 99-10,049; for Parcel Z, D.L. 125, O.D.Y.D., Plan 39268, located on Baron Road, Kelowna, B.C., subject to the following:

The exterior design and finish of the building to be constructed on the land be in general accordance with Schedule "A".

Carried

Councillor Blanleil left the Council Chamber at 2:35 p.m.

Regular MeetingJune 14, 1999

- 5.4 Planning & Development Services Department, dated June 9, 1999 re: Development Permit Application No. DP99-10,038 – Springdale Developments Ltd./Carolco Developments Ltd. (Doug Lane/Water Street Architecture) – 562 Yates Road (3060-20)

The Current Planning Manager indicated the property on maps displayed on the overhead projector and outlined the report noting this application amends a previously approved Development Permit for a 4-storey, 191-bed congregate care facility on the site. To address the concerns of residents in the adjacent residential development, the plans have been revised to eliminate the underground parking and instead provide carport structures accessed at grade. This allows the height of the building to be reduced by 2 metres and allows for a greater setback from the west property boundary. The number of 1 bedroom units has been increased but the total number of beds is reduced to 180.

Moved by Councillor Leask/Seconded by Councillor Nelson

**R485/99/06/14** THAT Municipal Council authorize the issuance of Development Permit No. 99-10,038; for Lot B, Sec. 32, Twp. 26, O.D.Y.D. Plan KAP54403, located on Yates Road, Kelowna, B.C., subject to the following:

- .1 The dimensions and siting of the building to be constructed on the land be in general accordance with Schedule "A";
- .2 The exterior design and finish of the building to be constructed on the land be in general accordance with Schedule "B";

Carried

- 5.5 Planning & Development Services Department, dated June 8, 1999 re: Rezoning Application No. Z99-1036 – Luigi D. Rossi Professional Corp. (Gerry Toye/Toye Construction Ltd. and Kildare Developments Ltd.) – 548 Francis Avenue (3360-20)

The Current Planning Manager indicated the property on maps displayed on the overhead projector and outlined the report noting a new boarding house for seniors is proposed for construction on the site. The facility would provide 9 bedrooms on the main floor, each with its own on-suite bathroom, and an upstairs suite for the caretaker/manager. There would be no kitchen facilities in the caretaker's suite. Seven parking stalls would be provided on-site, 2 of which would be for the caretaker's suite.

The Community Planning Manager entered the Council Chamber at 2:43 p.m.

Responding to questions of Council, the Current Planning Manager confirmed that the only license required for a boarding home is a business license.

Councillor Blanleil returned to the Council Chamber at 2:50 p.m. and took his place at the Council Table.

Regular MeetingJune 14, 1999

Members of Council expressed concern that seniors opting to live in boarding homes could find themselves suddenly forced to find other accommodation if their ability to look after themselves changes, even temporarily. The Community Planning Manager commented that boarding homes need to be available as a housing option for any population group including seniors. The health unit is aware of the problems that can occur when seniors living in boarding homes need outside care and the health unit holds regular education forums for anyone interested.

Moved by Councillor Shepherd/Seconded by Councillor Hobson

**R486/99/06/14** THAT City of Kelowna Zoning Bylaw No. 8000 be amended by changing the zoning classification of Lot 3, D.L. 14, O.D.Y.D., Plan 4293, located on Francis Avenue, Kelowna, B.C., from the RU6 – Two Dwelling Housing zone to the RU6b – Two Dwelling Housing/Two Dwelling Housing with Boarding and Lodging House zone;

AND THAT the zone amending bylaw be forwarded to a Public Hearing for further consideration.

Carried

The Long Range Planning Manager and the Planning & Development Officer entered the Council Chamber at 2:55 p.m.

5.6 Planning & Development Services Department, dated June 9, 1999 re: Rezoning Application No. Z99-1033 – Barbara Lane, Derrick Elliott and Sharon Loudoun (Brian Wurst) – 1193 Cerise Drive (3360-20)

The Current Planning Manager indicated the property on maps displayed on the overhead projector and outlined the report noting a statutory building scheme is registered by covenant on title setting out conditions for having a suite in the basement and the proposed suite has been designed to comply with those requirements.

Moved by Councillor Leask/Seconded by Councillor Hobson

**R487/99/06/14** THAT City of Kelowna Zoning Bylaw No. 8000 be amended by changing the zoning classification of Lot 14, Sec. 30, Twp. 26, O.D.Y.D., Plan KAP53262, located on 1193 Cerise Drive, Kelowna, B.C., from the RU1 – Large Lot Housing zone to the RU1s – Large Lot Housing with Secondary Suite zone;

AND THAT the zone amending bylaw be forwarded to a Public Hearing for further consideration;

AND FURTHER THAT final adoption of the zone amending bylaw be considered subsequent to the requirements of the Inspection Services Department being completed to their satisfaction.

Carried

Regular MeetingJune 14, 1999

5.7 Community Planning Manager, dated June 1, 1999 re: Public Forum on Standards of Maintenance Bylaws (5040-01)

The Community Planning Manager briefly outlined the report noting Council directed staff to arrange a forum but funding has not been provided in the budget to do the work. If the funding is approved from Council Contingency, the forum would be held on June 29, 1999 at the Library.

The Current Planning Manager left the Council Chamber at 3:03 p.m.

Moved by Councillor Cannan/Seconded by Councillor Shepherd

**R488/99/06/14** THAT Council allocate \$1,736 to pay for a public forum to be held June 29, 1999 to determine if the City should proceed to adopt a Standards of Maintenance Bylaw;

AND THAT the funds be appropriated from Council Contingency.

Lost to a Tie Vote

Councillors Blanleil, Day, Leask and Nelson opposed.

Council agreed to delay holding the forum to a date in September in order to give people more time to plan to attend.

Moved by Councillor Shepherd/Seconded by Councillor Leask

**R489/99/06/14** THAT Council allocate \$1,736 to pay for a public forum to be held in September 1999 to determine if the City should proceed to adopt a Standards of Maintenance Bylaw;

AND THAT the funds be appropriated from Council Contingency.

Carried

The Director of Parks & Leisure Services and the Parks Manager entered the Council Chamber and the Community Planning Manager left at 3:26 p.m.

6. REPORTS

6.1 Planning & Development Services Department, dated June 8, 1999 re: Brent's Mill – Heritage Park (6800-20)

The Long Range Planning Manager reviewed the report for Council noting the property where the Brent's Mill buildings are now located is under application for development and a decision is needed for relocation of the Mill buildings. He showed photos of the residence and the mill buildings and advised there is also a barn and a dairy structure. Moving the buildings to the proposed new location on the south side of the creek leaves the potential for other heritage park opportunities on the north side of the creek in future. In the interim, the property on the north side of the creek could be used for a dog park or some other temporary use.

Regular MeetingJune 14, 1999

Council agreed to a friendly amendment of the motion to indicate that they approve the *concept* of designating the Leckie/Dilworth site as a Heritage Park and that their approval to relocate the Brent's Mill buildings to the Heritage Park was subject to appropriate funding sources being identified.

Moved by Councillor Bremner/Seconded by Councillor Cannan

**R490/99/06/14** THAT approve, conceptually, the City-owned property located at the northwest corner of Leckie Place and Dilworth Drive (Rem. D.L. 531, Sec. 21, Twp. 26, O.D.Y.D.) being considered for designation as a Heritage Park;

AND THAT subject to appropriate funding sources being identified, the Brent's Mill heritage buildings be incorporated into the Heritage Park by relocating them from their existing location to the portion of the City owned property located on the south side of Mill Creek;

AND THAT the potential relocation, restoration and operation of the Brent's Mill heritage buildings be considered on a partnership basis with the Central Okanagan Heritage Society;

AND THAT Council direct City staff to work with the Central Okanagan Heritage Society in initiating the planning, design and cost estimating works required for consideration of the relocation and restoration of the Brent's Mill heritage buildings;

AND FURTHER THAT Council allow for other public park related activities to occur on an interim basis on the portion of the City owned property located on the north side of Mill Creek.

Carried

The Parks Coordinator entered the Council Chamber and the Planning & Development Officer left at 4:06 p.m.

6.2 Parks Manager, dated June 9, 1999 re: Dogs in Parks Program (6140-02)

The Parks Manager advised that there is currently someone leasing the City-owned property north of the creek at Leckie/Dilworth Drive but that the lease expires June 30, 1999. Also, a businessman in the community has indicated willingness to provide a private dog recreation area that he would charge for and that has been relayed to the dog owners association.

The following staff recommendation was debated by Council at length.

THAT the portion of Sutherland Park north of the boat launch and Government Campground Park cease to be "dogs off leash" parks and that those same lands be designated as "dog walking parks";

AND THAT the City-owned land west of Dilworth Drive between the CN Tracks and Leckie Place Road, as outlined by Map 1 attached to the Park Manager's report dated June 9, 1999, be designated as a "dog off leash park" on a 1 year trial basis;

AND FURTHER THAT the Parks & Leisure Services Department endeavour to provide an "off leash dog park" in each quadrant of the city for the year 2000.

Regular MeetingJune 14, 1999

The Parks Manager advised that it would cost about \$5,000 to fence the proposed temporary off-leash dog park at the Leckie/Dilworth site. The posts and page wire could be re-used elsewhere when the temporary use ceased.

A motion was moved and seconded to not consider designating the City-owned land west of Dilworth Drive as a dog off-leash park, even on a trial basis.

Moved by Councillor Leask/Seconded by Councillor Shepherd

**R491/99/06/14** THAT further debate of a motion to **not** consider designating the City-owned land west of Dilworth Drive as a “dogs off-leash park” be deferred until after Council deals with the motion to designate the portion of Sutherland Park north of the boat launch and Government Campground Park as “dog walking parks” rather than “dogs off-leash parks”.

Carried

Council agreed they need more time to consider how to deal with this matter.

Moved by Councillor Day/Seconded by Councillor Shepherd

**R492/99/06/14** THAT Council’s decision on the motion to designate the portion of Sutherland Park north of the boat launch and Government Campground Park as “dog walking parks” instead of “dogs off-leash” be deferred to the Regular Meeting of Monday, June 21, 1999.

Carried

Councillors Blanleil and Nelson opposed.

The Licensing & Bylaw Enforcement Supervisors and the Inspections Supervisor entered the Council Chamber and the Director of Parks & Leisure Services, the Long Range Planning Manager, the Parks Manager, and the Parks Coordinator left at 4:55 p.m.

6.3 Inspection Services Manager, dated May 6, 1999 re: **Filing a Notice in the Land Title Office Against 307 Sandpiper Court (3760-20) Mayor to invite the property owner to address Council**

The Inspections Supervised reviewed the report for Council.

Mayor Gray invited the owner or representative to state their case to Council.

The Long Range Planning Manager left the Council Chamber at 4:57 p.m.

Bob Amann advised that the house passed all inspections that were done at various stages of construction and in his opinion the house is structurally safe. An Occupancy Permit was granted in May 1996 after finding no Code violations. The City’s Inspections Supervisor and the Inspection Services Manager have both inspected the premises and no concerns were noted. On July 10, 1997 another inspection was done by Mr. Dennis Frey, a local engineer familiar with the soil conditions in the Glenmore Valley. Mr. Frey did his inspection 2 years after the foundation was in place and could find no indication of foundation settlement. Any settling takes place during the first year after construction. The only fault Mr. Frey could find was that the wall should have been engineered. He said it is a common mistake (the wall not being engineered) that is often overlooked during inspections.

Regular Meeting

June 14, 1999

Mr. Amann advised there has been considerable vibration in the area during other construction but no cracks or shifting or any structural damage has appeared. He submitted that no house in the Glenmore Valley has been so well inspected and that there is no need to register anything on title.

The Inspections Supervisor advised that the wooden extension was not on the wall to be inspected, the engineer spells out in his letter that this is a Code violation, and the notice could be removed from the title once the remedial action has been taken.

Bob Amann responded to questions of Council advising that the engineer has outlined the remedial action that is needed and that he would do the work but that he did not know when he would have funds available. The builder also left other problems with the house that have had to be dealt with including correcting an encroachment of the concrete driveway into the adjoining lot, replacing the front steps because they slanted the wrong way, replacing the deck vinyl above the garage because it was incorrectly applied and caused structural damage, and replacing the roof because the roofing material cracked over the winter.

Connie Amann added that the house has sustained 2 earthquakes and all the vibration from road and house construction nearby without being damaged and so the foundation footings were not a priority for them to correct. If the foundation was of concern, it would have sustained damage in the past 2 years. She asked if a notice is registered on their property title, whether the City would be going back into their records and doing the same with others, since the engineer says it is a common mistake for foundation walls to not be engineered and for that to be overlooked during inspections. Mrs. Amann added that they have already been victimized by the builder and now they feel they are being victimized again by the City. The house was to have 2 coats of paint but only got one coat and nothing was done about that. It is not fair when they have noted every problem with the house with City officials to have a notice put on title now. She suggested that the City should take disciplinary action against the builder and added that the City officials called upon to assure them that the house was safe should also be disciplined. Mrs. Amann also said she has pictures to prove that the wooden extension was on the wall to be inspected.

The Inspections Supervisor clarified that the problem is not obvious because the basement is finished. City staff were at the site at the request of Mrs. Amann to see the deficiencies she has pointed out. City staff only became aware of the foundation problem through the engineer's report.

Bob Amann responded to questions of Council confirming that a settlement was reached with the builder and that it will cost about \$5,000 to bring the building to Code.

The Inspections Supervisor advised the fee for registering the notice on title is \$300 and that he is not aware of any being removed from title.

Connie Amann questioned why they should have to spend \$5,000 to remedy the foundation problem when the foundation has sustained no damage.

Regular MeetingJune 14, 1999

Council directed staff to delay actual filing of the notice for 2 weeks to allow the applicant time to go back to their engineer to see if he would be willing to give his stamp of approval without the remedial work being done.

Moved by Councillor Hobson/Seconded by Councillor Blanleil

**R493/99/06/14** THAT Council authorize the City Clerk to file a Notice in the Land Title Office against Lot 6, RP 52698 being 307 Sandpiper Court, as permitted by Section 700 (1) of the Municipal Act, regarding the construction of the foundation for the residential dwelling which was built at this location under Building Permit No. 7212;

The Notice filed stating that:

- a resolution relating to Lot 6, RP 52698 has been made under Section 700 (1) of the Municipal Act, and;
- further information respecting the resolution may be inspected at the office of the Municipality;

AND THAT the actual filing of the Notice not occur for two weeks to allow the property owner an opportunity to pursue an engineer's stamp of approval of the foundation wall;

AND FURTHER THAT the owner be responsible for the costs involved.

Carried

The Transportation Manager entered the Council Chamber and the Inspections Supervisor left at 5:31 p.m.

6.4 Inspection Services Manager, dated June 2, 1999 re: Liquor License for Kelowna Princess Tours (4320-50)

The Licensing & Bylaw Enforcement Supervisor introduced Mr. Al Dixon and advised that Mr. Dixon will assume the duties of Licensing & Bylaw Enforcement Supervisor in mid-July.

The Licensing & Bylaw Enforcement Supervisor reviewed the report for Council.

A member of Council noted that Princess Tours have restricted public access to the pier and asked that staff investigate.

Moved by Councillor Blanleil/Seconded by Councillor Shepherd

**R494/99/06/14** THAT the Provincial Liquor Control and Licensing Branch be advised that Council supports the licensing of a 100 passenger with six crew members Class A Liquor License proposed by Kelowna Princess Tours.

Carried

The Licensing & Bylaw Enforcement Supervisors left the Council Chamber at 5:39 p.m.

Regular MeetingJune 14, 1999

Mayor Gray noted that there are still a number of items left on the agenda and that there may not be sufficient time to deal with them all.

Moved by Councillor Hobson/Seconded by Councillor Cannan

**R495/99/06/14** THAT Council consideration of agenda item No. 6.10 (Implementation of Water Quality Task Force Recommendations) be deferred for two weeks.

Carried

6.5 Transportation Manager, dated June 9, 1999 re: Intersection Safety Camera Program (6460-03)

Constable Keith Wilson of the Integrated Traffic Camera Unit in Richmond, B.C. gave a lengthy presentation explaining the intersection safety camera program. Crash statistics show that 22% of all collisions occur at signalized intersections and that those crashes are the most severe. Claims costs to ICBC from these collisions exceed \$300 million annually. The cameras have proven to be effective in other countries. Local police would determine where the cameras would be located in consultation with City engineering staff. All costs for this program would be borne by the province. The municipalities would not share in the revenue from the program since they are not sharing in the costs.

Constable Wilson asked that a copy of Council's resolution be sent to the Attorney General's office.

Moved by Councillor Blanleil/Seconded by Councillor Hobson

**R496/99/06/14** THAT Council endorse the installation and use of Red Light Cameras at signalized intersections in Kelowna.

Carried

The Roadways Engineer entered the Council Chamber at 6:16 p.m.

6.6 Transportation Manager, dated June 10, 1999 re: Award of Construction Contract TE99-03 – Benvoulin Road Re-Construction (5400-20)

The Roadways Engineer reviewed the report for Council and advised that the work would be substantially completed within 16 weeks of the June 21<sup>st</sup> start date.

Councillor Blanleil left the Council Chamber at 6:23 p.m.

Moved by Councillor Cannan/Seconded by Councillor Leask

**R497/99/06/14** THAT the contract for the reconstruction of Benvoulin Road between the intersections of Cooper/Mayer Road and KLO Road, be awarded to Lawrence Enterprises Ltd. in the amount of two million, five hundred eighty one thousand, three hundred fifteen dollars and eight cents (\$2,581,315.08), including GST;

AND THAT The Mayor and City Clerk be authorized to execute the Contract on behalf of the City.

Carried

The Transportation Manager and the Roadways Engineer left the Council Chamber at 6:25 p.m.

Regular MeetingJune 14, 1999

- 6.7 Environment Manager, dated June 9, 1999 re: Protecting Drinking Water Sources – UBCM Resolution (5400-20; 5280-14)

Moved by Councillor Hobson/Seconded by Councillor Shepherd

**R498/99/06/14** THAT Council forward to the UBCM the following resolution regarding the Auditor General's of British Columbia recommendations from his report "Protecting Drinking Water Resources":

WHEREAS municipalities, regional governments and water purveyors in British Columbia do not have the overall legislative powers or jurisdictional authority to protect source drinking water quality;

AND WHEREAS the City of Kelowna, the Central Okanagan Regional District, the Kelowna Joint Water Committee and other municipalities require protection of source water;

THEREFORE BE IT RESOLVED that the Lieutenant Governor in Council order the Ministries of Health, Municipal Affairs, Forests, Environment Lands & Parks, Highways, Energy and Mines, Agriculture and Food plus the Land Use Coordination Office and the Environmental Assessment Office to take action and implement the 26 Auditor General recommendations from his report "Protecting Drinking Water Sources".

Carried

- 6.8 Parks & Leisure Services Department, dated June 9, 1999 re: Skyreach Place – Rates Fees & Charges for Community Use Time (1810-20)

Deferred to next week.

- 6.9 Councillor Colin Day, Kelowna Parking Committee Chair, dated June 8, 1999 re: Parking Lot Rate Review (5480-06)

Deferred to next week.

- 6.10 Councillor Robert Hobson, Council Water Committee Chair, dated June 9, 1999 re: Implementation of Water Quality Task Force Recommendations (0360-20)

Deferred to next week.

Councillor Blanleil returned to the Council Chamber at 6:25 p.m.

7. COUNCILLOR ITEMS – Nil.

Regular Meeting

June 14, 1999

8. TERMINATION

The meeting was declared terminated at 6:26 p.m.
