1.0 RECOMMENDATION

THAT Municipal Council authorize an extension to Rezoning Application No. Z99-1007 (Bylaw No. 8467) for a period of not more than 180 days from April 5, 2001.

2.0 SUMMARY

The above noted development applications were considered at a Public Hearing by Council on October 5, 1999. Section 2.10.1 of Procedure Bylaw No. 8140 states that:

Every amendment bylaw which has not been finally adopted by Council within 12 months after the date it was given third reading, lapses and will be of no force and effect, and an applicant who wishes to proceed with its application must initiate a new application.

Section 2.10.2 of the Procedure Bylaw makes provision for Council to consider an extension to an amending bylaw for up to 6 months beyond the 12 months deadline as stated in Section 2.10.1.

The applicant has made applications for rezoning (Z99-1007) and an OCP amendment (OCP99-006) to permit the development of a new 226 unit modular home park. By-Law No. 8467 received second and third readings on October 5, 1999, after the Public Hearing held on the same date. The applicant has made application for one six month extension, and wishes to have this application remain open for an additional six months in order to provide more time to resolve a number of outstanding issues.

This project remains unchanged and is the same in all respects as originally applied for.

The Planning and Development Services Department recommends Council consider the request for an extension favourably.
