

## DRAFT RESOLUTION

Re: Council Endorsement of Grant Application - Mission Greenway

THAT Kelowna City Council strongly endorses the application being submitted by the Friends of Mission Creek Society for funding under the Canada-BC Infrastructure Program for phase 2 of the Mission Greenway project on the basis that the project has wide support among the citizens and businesses in Kelowna and in the Central Okanagan and in the opinion of Council the community would consider this project to be extremely important.

### BACKGROUND:

The Friends of Mission Creek are submitting an application for a grant of \$250,000 of which half would be from the Federal government and half from the Province.
