
CITY OF KELOWNA

MEMORANDUM

Date: November 6, 2001
File No.: 5450-20
To: City Manager
From: Planning & Development Services Department
Subject: Proposed renaming of a portion of Killdeer Road to South Crest Drive

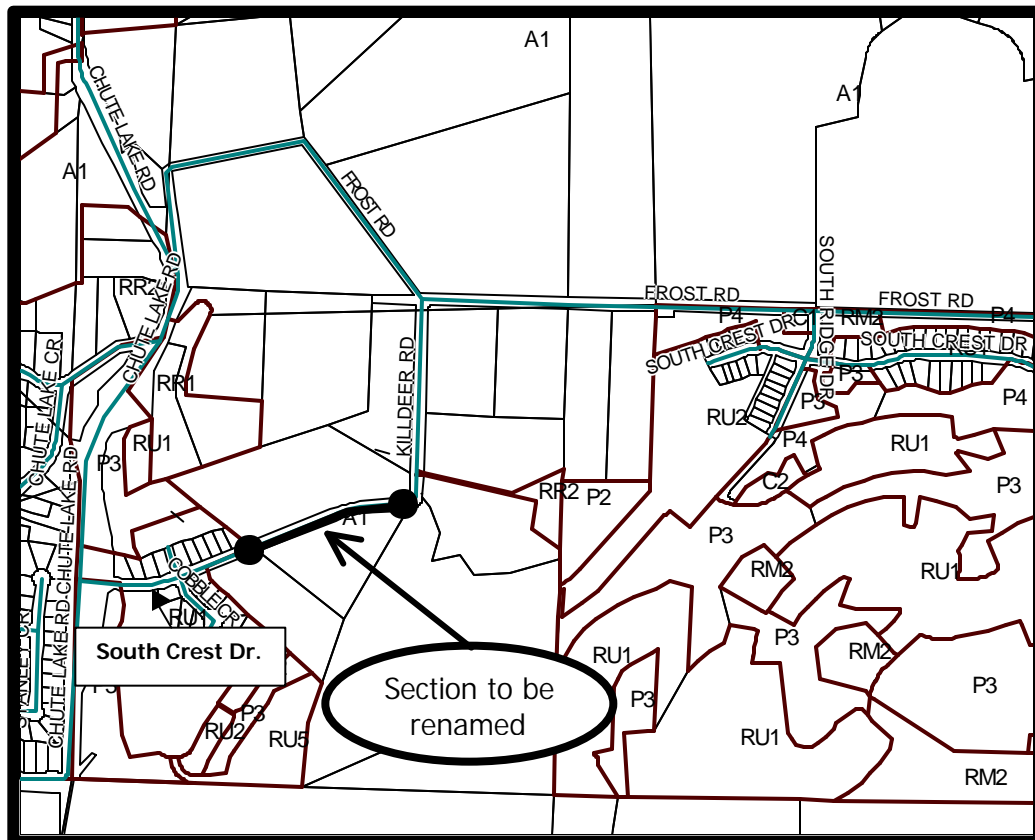

1.0 RECOMMENDATION

THAT Municipal Council consider renaming the portion of Killdeer Road as identified on Schedule "A" attached to the report from the Planning & Development Services Department dated November 6, 2001, to South Crest Drive;

AND THAT Staff be directed to prepare the necessary road name change bylaw.

2.0 SUMMARY

As part of the Southwest Okanagan Mission Neighbourhood Two Area Structure Plan the Future Road Network Plan included a new east-west collector road to intersect with Chute Lake Road at the west end and incorporated a portion of the existing Killdeer Road. As a result of recent subdivisions in this area two portions of this collector road have been dedicated and constructed as South Crest Drive, as shown below and on the attached Schedule "A".

In order to maintain consistency in the name of this collector road we are requesting that the east-west portion of Killdeer Road that forms part of this collector road be renamed South Crest Drive. There are four property owners affected by this proposed renaming and all four were contacted and have provided written consent to the proposed renaming of this east-west section of Killdeer Road to South Crest Drive.

The Planning & Development Services Department has no concerns regarding the proposed renaming and suggest that interim directional signage at the intersection of Killdeer Road and South Crest Drive be provided to alleviate any confusion with accessing both components of South Crest Drive.
