1.0 RECOMMENDATION

THAT Municipal Council authorize an extension to Rezoning application No. Z00-1026 (Bylaw No. 8573) for a period of not more than 180 days from December 27, 2001.

2.0 SUMMARY

The subject rezoning application was considered at a Public Hearing by Council on June 27, 2000. Section 2.10.1 of Procedure Bylaw No. 8140 states that:

Every amendment bylaw which has not been finally adopted by Council within 12 months after the date it was given third reading, lapses and will be of no force and effect, and an applicant who wishes to proceed with its application must initiate a new application.

Section 2.10.2 of the Procedure Bylaw makes provision for Council to consider an extension to an amending bylaw for up to 6 months beyond the 12 months deadline as stated in Section 2.10.1.

The subject rezoning application was considered at a Regular Meeting by Council on July 16, 2001 and the following resolution was adopted:

THAT Municipal Council authorize an extension to Rezoning application No. Z00-1026 (Bylaw No. 8573) for a period of not more than 180 days from June 27, 2001.

Zone Amending By-Law No. 8573 received second and third readings on June 27, 2000, after the Public Hearing held on the same date and an extension was granted on July 16, 2001. The applicant wishes to have this rezoning application remain open for an additional six months in order to provide more time to resolve an outstanding issue regarding his concurrent subdivision application (ie. Removal of an existing single family residential dwelling).

This project remains unchanged and is the same in all respects as originally applied for.

The Planning and Development Services Department therefore recommends that Council favourably consider the request for a six month extension from December 27, 2001.
