1.0 RECOMMENDATION

THAT in accordance with the Development Application Procedures Bylaw No. 8140 the deadline for the adoption of Zone Amending Bylaw No. 8517 (Z95-1015 – Canyon Creek Joint Venture - John Steil/Stantec Consulting Group Ltd.) McCulloch Road be extended to September 21, 2002.

2.0 SUMMARY

Rezoning Authorisation Bylaw No. 8517 received second and third readings at a Regular meeting of Council held on Tuesday, March 21, 2000, with final adoption of the zone amending bylaw being withheld pending the provision of an executed Servicing Agreement and the provision of the necessary funds and/or bonding. At the Regular Meeting of Council held on Monday, March 19, 2001 a resolution was adopted extending the deadline for adoption of Zone Amending Bylaw No. 8517 (Z95-1015) to September 21, 2001.

As June 27th, 2001 was the deadline for approving lots that are less than one hectare in size serviced by on-site sewage disposal the applicant applied for an additional six month extension for additional time to pursue alternate methods of sewage disposal for the 59-lot rural residential development proposal. That extension expired on March 21, 2002 and the applicant is still wanting to pursue this proposed subdivision development.

Based on the above information, the Planning & Development Services Department has no objections to this request for one further six month extension extension from March 21, 2002 to September 21, 2002.
