1.0 RECOMMENDATION

THAT Municipal Council authorize an extension to Rezoning application No. Z00-1012 (Bylaw No. 8587) for a period of 180 days from September 12, 2002.

2.0 SUMMARY

The subject rezoning application was considered at a Public Hearing by Council on September 12, 2000. Section 2.10.1 of Procedure Bylaw No. 8140 states that:

Every amendment bylaw which has not been finally adopted by Council within 12 months after the date it was given third reading, lapses and will be of no force and effect, and an applicant who wishes to proceed with its application must initiate a new application.

Section 2.10.2 of the Procedure Bylaw makes provision for Council to consider an extension to an amending bylaw for up to 6 months beyond the 12 months deadline as stated in Section 2.10.1.

The subject rezoning application was considered at a Regular Meeting by Council on August 27, 2001 and March 11, 2002 and the following resolutions were adopted:

THAT Municipal Council authorize an extension to Rezoning application No. Z00-1012 (Bylaw No. 8587) for a period of not more than 180 days from September 12, 2001.

THAT Municipal Council authorize an extension to Rezoning application No. Z00-1012 (Bylaw No. 8587) for a period of not more than 180 days from March 12, 2002.

Zone Amending By-Law No. 8587 received second and third readings on September 12, 2000, after the Public Hearing held on the same date and an extension was granted on August 27, 2001 and March 11, 2002. The applicant wishes to have this rezoning application remain open for an additional six months in order to provide more time to resolve a number of outstanding issues.

This project remains unchanged and is the same in all respects as originally applied for.

The Planning and Development Services Department therefore recommends that Council favourably consider the request for a six month extension from September 12, 2002. However, additional applications for extension should not be supported for the Zoning By-Law No. 8587.
