AND WHEREAS the object for the debt is as set out in the bylaw;

NOW THEREFORE, the Municipal Council of the City of Kelowna, in open meeting assembled, enacts as follows:

1. The portion of the City of Kelowna as shown on Map “A” attached to and forming part of this bylaw, shall be the area of the City of Kelowna benefited by the works and services hereinafter set forth, which area is referred to as the “Benefiting Area”.
2. The City of Kelowna is hereby authorized to provide, operate, maintain and to undertake and carry out, or cause to be carried out, the construction of the sewer shown and described in the general plans and specifications for Sewer Specified Area No. 22E – Dease Road and to do all things necessary in connection therewith for the special benefit of the benefiting area.
3. The City of Kelowna is hereby authorized to borrow, upon the credit of the City of Kelowna, a sum not exceeding Four Hundred Four Thousand Three Hundred Six Dollars (\$404,306.00) for the purpose of constructing the works more particularly described in Section 2 for the special benefit of the benefiting area.

6. The entire capital costs of the work paid for out of money borrowed, pursuant to the authorization of this bylaw shall be borne by the benefiting area and shall be raised by Council by way of a parcel tax under Section 360 of the *Local Government Act*, levied in 20 annual instalments.
7. Should the sums recovered through the levy of the parcel tax at any time be insufficient to meet the costs of repayment of the debt, the Council may levy and impose within the benefiting area an additional rate on land and improvements over and above all other rates sufficient to meet such deficit in the same manner and time as other general municipal levies.
8. Any person whose parcel is subject to being specially charged under Section 6 of this bylaw, may elect to make a one-time payment of the portion of the cost of construction assessed upon their parcel within sixty days of receipt of written instructions from the Collector or on any anniversary date of the loan borrowed under this bylaw. The amount of the one-time cash payment after the loan has been incurred will vary depending upon a number of factors including the year of payment, interest rate of the loan and the rates of return on the sinking fund and cash commutation fund. Alternatively any person whose parcel is subject to being specially charged under Section 6 of this bylaw, may elect to make a one-time payment, on or before May 2, 2003, of the portion of the estimated cost of the construction of the project prior to the City incurring any borrowing charges assessed upon their parcel.
9. The Council may, by bylaw, merge this benefiting area with any other specified area created to provide sanitary sewer works whether contiguous or not, for the purpose of providing, consolidating or completing necessary work for such merged areas.
