**1.0** RECOMMENDATION

THAT Rezoning Application No. Z03-0038 to amend the City of Kelowna Zoning Bylaw No. 8000 by changing the zoning classification of Lot A, Plan 24496, Sec. 6, Twp. 26, ODYD, located at 644 Lequime Road, Kelowna, B.C. from the RU1 zone to the RM3 zone be considered by Council;

AND THAT the zone amending bylaw be forwarded to a Public Hearing for further consideration;

AND THAT final adoption of the zone amending bylaw be considered in conjunction with Council's consideration of a Development Variance Permit on the subject property.

**2.0** SUMMARY

The applicant is proposing to rezone the subject property to the RM3- Low Density Multiple Housing zone in order to accommodate a group home, major. The applicant currently operates a group home, minor in an RU1-Large Lot Housing zone. The eastern portion of the existing house does not meet the required side yard setback in the RM3 zone and is therefore the subject of a proposed variance.

### 3.0 BACKGROUND

The applicant has operated a group home, minor in the single-family dwelling located at 644 Lequime for 15 years.

#### 3.1 The Proposal

The applicant is licensed under the Community Care and Health act to provide care for up to 8 persons however the RU1 –Large Lot Housing zone only allows for a group home, minor (up to 6 persons). The applicant is proposing to rezone the subject property to the RM3 – Low Density Multiple Housing zone in order to accommodate up to eight residents.

The applicant is not proposing any new construction on the subject property. The two additional residents will be accommodated in the existing dwelling. The existing dwelling is a two storey house with eight bedrooms.

The applicant has also applied for a variance in order to vary the eastern side yard setback which does not conform to the 4.5m setback that is required in the RM3 zone.

The application meets the requirements of the RM3 – Low Density Multiple Housing zone as follows:

CRITERIA	PROPOSAL	RM3 ZONE REQUIREMENTS
Lot Area (m <sup>2</sup> )	3124m <sup>2</sup>	900m <sup>2</sup>
Lot Width (m)	43m (approx.)	30.0m
Lot Depth (m)	71m (approx.)	30.0m
Parking Spaces	5	3 (1 per 3 beds)
Storeys (#)	2 storeys	2.5 storeys
Setbacks (m)		
- Front	7.0m	6.0m
- Rear	38m (approx.)	
- Side (e)	2m❶	4.5m
- Side (w)	10m	4.5m

❶ Note: The applicant is seeking to vary the eastern side yard setback.

#### 3.2 Site Context

The subject property is located on the north side of Lequime Road between Lakeshore Road and Gordon Drive.

Adjacent zones and uses are:

North - P2 – Education and Minor Institutional  
 East - RM3 – Low Density Multiple Housing  
 South - RU1 – Large Lot Housing  
 West - RM3 – Low Density Multiple Housing

### 3.3 Site Location Map

3.5 Current Development Policy

3.5.1 Kelowna Official Community Plan

The future land used designation for the subject property identified in the Official Community Plan is Low Density Multiple Family. The proposal is consistent with this designation.

3.5.2 North Mission/Crawford Sector Plan

The North Mission/Crawford Sector Plan encourages the provision of community institutional uses to serve the needs of the community.

3.5.3 Kelowna Strategic Plan (1992)

The strategic plan encourages the provision of an adequate supply of housing for people with special needs (Part 4, Section 7, Strategy 7.2).

3.0 PLANNING AND DEVELOPMENT SERVICES DEPARTMENT

The Planning and Development Services Department supports the proposed rezoning and associated development variance permit. The proposed rezoning is consistent with the future land use designation identified in the Official Community Plan. The existing use is also consistent with policies from the North Mission/Crawford Sector Plan and the Kelowna Strategic Plan. Staff are of the view that the proposed variance is minor in nature and does not effect the adjacent property owners. The applicant is not proposing any new construction or a change in use on the subject property at this time and therefore a development and servicing agreement are not required. Both will be required at such time as the subject property redevelops.
