BACKGROUND

The City of Kelowna adopted the Ticket Information Utilization Bylaw No. 6550-89 on March 12, 1990 which outlines in Schedule 1, Column 2 authorized persons who are enabled to enforce those bylaws as designated under each bylaw. Since the enactment of the bylaw the City has expanded in year round activities, events, population and business growth, bringing with it the need for additional enforcement strategies. There has been an increased interest in further joint RCMP and Bylaw Enforcement Partnership which has resulted in a review of current bylaws along with their practices and procedures. We are requesting that City Council approve the amendments to the Ticket Information Utilization Bylaw No. 6550-89 along with the amendments to the City's Traffic Bylaw No. 8120, which was adopted by Council on August 26, 2002.
