MEMORANDUM

Date: November 20, 2003
File No.: 5450-20
To: City Manager
From: Planning & Corporate Services Department
Subject: Proposed Re- Naming of College Way to University Way
Report prepared by: Shelley Gambacort

1.0 RECOMMENDATION

THAT Municipal Council consider re-naming College Way to University Way as identified on Schedule "A" attached to the report from the Planning & Corporate Services Department dated November 20, 2003;

AND THAT Staff be directed to prepare the necessary road name change bylaw.

2.0 BACKGROUND

We have received a written request from the Okanagan University College to change the name of College Way to University Way to offer clearer recognition for the University component that is located at this campus. They have indicated that the other addressees located on College Way, specifically Environment Canada's Mountain Weather Centre, have no objection to this proposed road name change.

The Planning & Corporate Services Department has no concerns with the re-naming of this road,

Should Council give favourable consideration to this proposed road re-naming a letter will be sent to the registered property owner advising of the proposed change.
