

DRAFT RESOLUTION

Re: OCP Amendment Bylaw No. 9096

THAT Council considers that Bylaw No. 9096 - a bylaw to Amend Official Community Plan Bylaw No. 7600 in order to complete an updated Official Community Plan – *Kelowna 2020* is consistent with the existing City of Kelowna Financial Plan (the 20 Year Servicing Plan and Financing Strategy) and the Waste Management Plan.

Background:

As was outlined in the initial consideration report on OCP Amendment Bylaw No. 9096, which was received by Council on December 1, 2003, the proposed amendments to the Official Community Plan are consistent with both the City's 20 Year Servicing Plan and Financing Strategy and the Waste Management Plan.

Council is required to confirm this prior to holding the public hearing on the bylaw, which is scheduled for Thursday, January 15, 2004. No changes have been made to any of the relevant documents in the meantime, other than the amendment to correct the mapping error in the Future Land Use map of Bylaw No. 9096. This did not affect either the 20 Year Servicing Plan and Financing Strategy or the Waste Management Plan, and the proposed OCP Amending Bylaw No. 9096 remains consistent with those documents.
