1.0 RECOMMENDATION

THAT Council authorize an extension to Rezoning application No. Z01-1045 (Bylaw No. 8757) for a period of not more than 180 days from December 11, 2003;

2.0 SUMMARY

The above noted development applications were considered at a Public Hearing by Council on December 11, 2001. Section 2.10.1 of Procedure Bylaw No. 8140 states that:

Every amendment bylaw which has not been finally adopted by Council within 12 months after the date it was given third reading, lapses and will be of no force and effect, and an applicant who wishes to proceed with its application must initiate a new application.

Section 2.10.2 of the Procedure Bylaw makes provision for Council to consider an extension to an amending bylaw for up to 6 months beyond the 12 months deadline as stated in Section 2.10.1.

The applicant has made applications for rezoning (Z01-1045) and an OCP amendment (OCP01-011) to permit an addition to the “Creekside” Professional Building. The applicant would also like to rezone an adjacent multi-family lot to accommodate the required parking. By-Law No. 8757 received second and third readings on December 11, 2001, after the Public Hearing held on the same date. Council has already granted the applicant two six month extensions, the last of which began June 11 of 2003 and expired December 11 of 2003. The applicant has yet to resolve several issues and is requesting an additional six month extension.

This project remains unchanged and is the same in all respects as originally applied for.

The Planning and Corporate Services Department recommends Council consider the request for an extension favourably.
