
CITY OF KELOWNA
MEMORANDUM

Date: April 1, 2004
File No.: Bylaws No. 9196 and 9197
To: City Manager
From: City Clerk
Subject: Rescinding of Final Adoption (given March 29th, 2004)

RECOMMENDATION:

THAT Council rescind the adoption of Bylaws No. 9196 and 9197, given March 29th, 2004;

AND THAT Bylaws No. 9196 and 9197 be brought forward for final adoption consideration again, once all conditions have been met.

BACKGROUND:

Through a clerical error Bylaws No. 9196 (Amendment No. 1 to Sewer Specified Area No. 20 Bylaw No. 8929 (North Rutland)) and No. 9197 (Amendment No. 13 to Sewer Connection Charge Bylaw No. 8469) were erroneously placed on Council's agenda for adoption consideration on March 29th, 2004.

In fact, final adoption consideration cannot be given until after the close of the petitioning period for Bylaw No. 9196, and then only if insufficient petitions against the proposed expansion of the North Rutland sewer local service area (specified area) are received from affected owners. The petitioning period does not close until 4:00 p.m. on April 26th, 2004.

Following the close of the petitioning period, staff will forward a report to Council regarding the sufficiency or not of petitions received, and the bylaws will then be forwarded for final adoption consideration as appropriate.

Allison M. Flack, City Clerk

Cc: Wastewater Manager
Revenue Supervisor
