2.0 SUMMARY

The Advisory Planning Commission (APC) currently has one vacancy due to George Babcook recently resigning his position after serving for four years on the APC. As a result of this vacancy the Planning & Corporate Services Department recommends that Lorne Antle be appointed to the vacant position on the Advisory Planning Commission for the remainder of this term ending December 31, 2005. Lorne has been serving as an alternate member for the past 10 months and has been actively involved with the APC, in this alternate capacity, at the majority of meetings since his appointment.
