**Date:** April 5, 2005  
**File No.:** Pasadena Road  
**To:** City Manager  
**From:** Acting City Clerk  
**Subject:** Local Area Service – Burne Avenue (Richter Street to Ethel)  
**Report Prepared by:** Corinne Boback, Legislative Coordinator

**RECOMMENDATION:**

THAT Council receive the Certificate of Sufficiency dated April 5, 2005 pertaining to the Burne Avenue Local Area Service.

**BACKGROUND:**

The petition received March 30, 2005 from Suzanne Blewett and others for the construction of road drainage, road widening, concrete (roll over) curb and gutter, asphalt pavement widening, and topsoil and seeding or sodding of the boulevards on both sides of Burne Avenue has been deemed insufficient. The petition was found to be signed by less than 50% of the owners and less than 50% of the assessed land and improvement values.

Ms. Suzanne Blewett, the initiator of the above mentioned petition, has reviewed the feasibility of the construction of the local improvement with the Works & Utilities department and has circulated the petition to her neighbours. The subject petition is not sufficient pursuant to 212 of the *Community Charter*. Staff has contacted Ms. Blewett and informed her that the petition is insufficient and did not meet the requirements of the *Community Charter*.
