
CITY OF KELOWNA
MEMORANDUM

Date: June 14, 2005
File No.: 6140-30
To: City Manager
From: Director of Parks and Leisure Services
Subject: Phase 2 Mission Creek Greenway – Gallagher’s Village

RECOMMENDATION:

THAT Council receive for information the report and attachments from the Director of Parks and Leisure Services dated June 14, 2005.

BACKGROUND

The opening of Phase 2 of the Mission Creek Greenway raised local awareness of the trail network and park plan in Scenic Canyon Regional Park. Some citizens have raised concerns regarding a number of issues. The attachments provide some historical documentation, identify the issues, and note the responses from both the City of Kelowna and the Regional District of Central Okanagan Parks staff.

Several of the issues brought to our attention a few months ago have been resolved. The key outstanding issues are:

- The use of Field Road as a public access trail to the lookout
- Restoration of Field Road trail by the developer and continued maintenance of the trail by the strata corporation
- The plan for a “rim of canyon” trail adjacent to some homes

A meeting is scheduled for June 28 involving elected officials and staff from both the Regional District and the City in an attempt to find an acceptable approach to resolve the outstanding issues.
