
CITY OF KELOWNA

MEMORANDUM

Date: August 9, 2005
File No.: 5340-01
To: City Manager
From: Wastewater Manager
Subject: Amend the 2005 Financial Plan -Sewer Replacement in Gordon Drive

RECOMMENDATION :

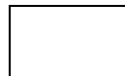

THAT the 2005 Financial Plan be amended to include an expenditure of \$70,000 to allow the sewer main to be replaced in Gordon Drive, from High Road to Brant Avenue.

BACKGROUND :

A few blocks of Gordon Drive, between High Road and Clement Avenue, is being improved by the Transportation Division to create a section of the Central Okanagan Bypass. The sewer main under this section of road is vitrified clay pipe and it was recently determined by video investigation that the pipe should be replaced before the new road is re-built.

This amendment to the Financial Plan will allow the sewer work to proceed in conjunction with the road work this summer. The work will be carried out by the Contractor that has already been awarded the Central Okanagan Bypass project. Funding is available from Wastewater Utility revenues.

W.J. Berry, P.Eng.
Wastewater Manager

Approved for inclusion:
John Vos
Director of Works & Utilities
