

**CITY OF KELOWNA**  
**MEMORANDUM**

**DATE:** November 21, 2005

File: 0550-05  
2380-20-8095

**TO:** City Manager

**FROM:** Airport General Manager

**SUBJECT: NAV CANADA AVIATION SERVICES AND FACILITIES AGREEMENT -  
KELOWNA INTERNATIONAL AIRPORT**

**RECOMMENDATION**

THAT Council authorize the Mayor and City Clerk to sign an amendment to the Aviation Services and Facilities Agreement (A.S.F.A.) with Nav Canada.

**BACKGROUND AND COMMENTS**

On November 1, 1996, Nav Canada, a federally incorporated not-for-profit corporation, took over operation of the air traffic control system from Transport Canada. As part of this transfer, Nav Canada entered into Aviation Services and Facilities Agreements with all airports at which it provides air traffic control services. Council approved the A.S.F.A. for Kelowna at its regular meeting of December 15, 1997.

At the time the Kelowna Aviation Services and Facilities Agreement and Supplemental Agreements were signed a sub-lease for space in the ATB was included. The ASFA amendment deletes this space sub-lease which NAV CANADA vacated April 30, 2005.
