**CITY OF KELOWNA**  
**MEMORANDUM**

---

**Date:** March 2, 2006.  
**File No.:** 5280-01  
**To:** City Manager  
**From:** Environment & Solid Waste Manager  
**Subject:** **Solid Waste Management Regulation by-law # 9570 (replaces by-law # 7173)**

---

**RECOMMENDATION:**

THAT Solid Waste Management Regulation Bylaw No. 9570 be advanced for reading consideration by Council.

**DISCUSSION:**

The existing Bylaw #7173 which has become cumbersome and outdated, having been revised several times over the last 10 years, would be repealed upon adoption of Bylaw #9570.

City Staff have worked with RDCO Staff to come up with a more comprehensive by-law that suits both the City and RDCO. Existing deficiencies within the by-law were related to landfill regulations, recycle requirements and the definitions of terms in the by-law.

This concise rewrite, the inclusion of Landfill Site Regulations, Schedule B, and the updated Landfill-Recycling Fee Schedule, Schedule E are significant improvements to the by-law and make the by-law more user friendly.

The Districts of Peachland, Lake Country and the RDCO will be adopting the same by-law outline in their respective jurisdictions.
