### 1.0 RECOMMENDATION

THAT City of Kelowna Zoning Bylaw No. 8000, Schedule "A" be amended by changing the zoning classification of the following properties shown on "Map 1" to "Map 11" inclusive as attached to Planning & Corporate Service Department report dated April 28, 2006;

AND THAT the zone amending bylaw be forwarded to a Public Hearing for further consideration.

### 2.0 BACKGROUND

The following Maps #1 through to Map #11 are presented as "housekeeping amendments" to Schedule "A" of the City of Kelowna Zoning Bylaw. Some mapping amendments are as result of the subdivision of the properties occurring after the adoption of the zoning amending bylaws that allowed for the development of these properties. The intent of most amendments, however is to make the zoning boundaries consistent with the legal lot lines of the property. As such Maps #1-11 are therefore considered as "housekeeping" amendments.
