Ticketed Events in Waterfront Park & City Park – Gross Gate

Rental rates for ticketed events will be based on a percentage of gross ticket sales or base park rental, whichever is greater. The rate is based on the event dates only (Set up and takedown days will not be included in the calculation).

Gross Gate percentage rates:

- Non Profit 5%
- Commercial 8%

A ceiling rate will be based on:

- if City Park/Waterfront Park is open to ticket holders only, the formula applied is ***# of tickets sold x ticket price x applicable gross gate % to a maximum of \$8,000.00.***
- If the closure only affects Waterfront Park Island Stage (leaving the Boardwalk open to the public), the formula applied is ***# of tickets sold x ticket price x applicable gross gate % to a maximum of \$5,000.00.***
- If the event is on multiple days, the above applicable formula applies to the highest gross revenue day with the remaining day(s) maximum ceiling calculated at 50%.

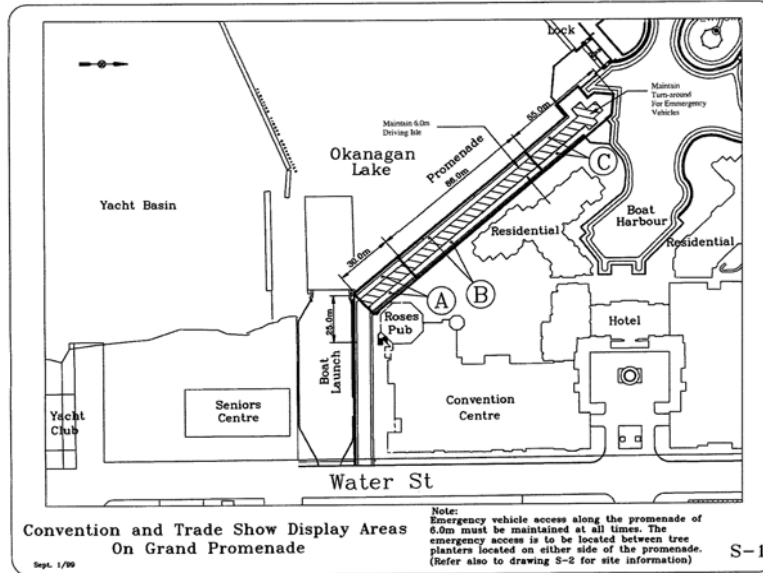

Groups must operate ticket sales through a recognized local ticket agency or make alternate arrangements to the satisfaction of the City of Kelowna.

If the fee for admission to the event is via donation, and the donation amount is at the discretion of the entrant, then only the base rent will be applied.
