MEMORANDUM

DATE: August 28, 2006
FILE: Bylaw 9672; 3900-20 (Bylaws); 5400-02 (WR Bennett Bridge)
TO: City Manager
FROM: Transportation Manager
RE: **WR Bennett Bridge – Noise Bylaw Amendment**

RECOMMENDATION:

THAT Kelowna Noise and Disturbances Control Bylaw No. 6647 be amended to allow construction activities associated with the WR Bennett Bridge project to occur at night after 2200 hours or before 0700 hours as per the report of the Transportation Manager dated August 28, 2006;

AND THAT the amending bylaw, No. 9672, be advanced for reading consideration by Council.

BACKGROUND:

Emil Anderson on behalf of the WR Bennett Bridge Group will be starting night work in City Park in October 2006. This work will include the transporting and placement of fill material in City Park for the proposed east approach to the new bridge. The Contactor will be entering and leaving the Park from Abbott Street. The work will be done at night extensively between the hours of 8pm and 6am.

The period of work will be extensive from late October through late December, 2006, non-active from January to mid-February, 2007 and then extensive again from late February to July 2007.

Bylaw 6647 restricts construction activities to the hours of 7am to 10pm.
