1 CUBA	20 JUL 1964

The giving of an instrument of service to the property of another, temporary or permanent, is not necessarily and may not be representative without the giving of a power of attorney. It is possible, however, that there is a power of attorney given to the person who is to be the representative of the property of another, and that the person who is to be the representative of the property of another is to be the representative of the property of another, and that the person who is to be the representative of the property of another is to be the representative of the property of another.
