

DRAFT RESOLUTION

Re: Appointment of (Deputy) Approving Officer

THAT Corine (Cory) Gain be appointed as a (Deputy) Approving Officer for the City of Kelowna.

BACKGROUND:

The City of Kelowna currently has two (2) people appointed pursuant to the *Land Title Act*, with authority to approve subdivisions and related matters. Bob Shaughnessy is the City's Approving Officer and Shelley Gambacort is the Deputy Approving Officer. With the volume of development applications occurring presently within the City, it is necessary to have a third person available to deal with these matters.
