CITY OF KELOWNA

**MEMORANDUM**

---

**Date:** May 23, 2007  
**File No.:** 5400-20 Glenmore 2 and 3 Bypass  
**To:** City Manager  
**From:** Transportation Manager  
**Subject:** **Final Design and Construction Management Glenmore 2 and 3 Bypass**

Report Prepared by Janet Bradshaw, P.Eng.

---

**RECOMMENDATION:**

THAT Council award the final design and construction management of the Glenmore 2 and 3 Bypass (from Dallas Rd. to north of Scenic Rd.) to Associated Engineering for the sum of \$622,849 plus GST.

**BACKGROUND:**

The construction of the new Glenmore Bypass from Dallas Rd. to north of Scenic Rd. is identified in the 20 year Servicing Plan and consistent with the goals and objectives for transportation network improvements supporting new development and the growing community. The detailed design will be for a new 4-lane arterial divided standard that makes allowance for the ultimate arterial 6-lane section.

In response to the City's Request for Proposals (RFP) three proposals were received on May 8, 2007 from three local firms. A team of three reviewers from the Transportation Division evaluated the proposals and the proposal submitted by Associated Engineering was judged to be the best and is therefore being recommended to Council for the award.

**FINANCIAL/BUDGETARY CONSIDERATIONS:**

Funding for the design phase of this project (\$289,495) is available in the 2007 budget through account 10-3400-R3900. Funding for Construction Engineering Services will be in a future year subject to Council budget approval of the construction phase.

**INTERNAL CIRCULATION TO:** Director of Finance
