

The background of the slide is a dark grey field with a pattern of small dots. Some dots are a vibrant blue, while others are a lighter, muted grey. These dots are scattered across the entire surface, with some appearing in small clusters and others in isolation. The overall effect is a textured, abstract background.

City of Kelowna 2007 Parade Float

The Need...

- After six years of great volunteer service the Osbornes retired as the Kelowna's Parade Float Ambassadors
- Staff began the quest for finding suitable volunteers.
- With assistance from Council and the Media many people put their names forward to become the next Kelowna Parade Float Ambassador.

Recruiting A Volunteer

- Clarence Johnson was selected from the many residents who answered the call.
