Date: September 3, 2008
File No.: BL10072
To: City Manager
From: Transportation Manager
Subject: Local Improvement Charges Bylaw No. 6600-90
Report Prepared by: Purvez Irani, P. Eng.

RECOMMENDATION:

THAT Bylaw No. 10072 to repeal Local Improvement Charges Bylaw No. 6600-90 be advanced to Council for reading consideration.

BACKGROUND:

Local Improvement Charges Bylaw No. 6600-90 was adopted in 1990 to establish the charges and methods of calculating same in connection with works undertaken as local improvements, pursuant to the *Local Government Act*. The *Community Charter* replaced local improvements with local area services and changed the way costs were calculated. Staff recommends that Local Improvement Charges Bylaw No. 6600-90 be repealed, as was discussed at Council's Transportation Directions Committee meeting earlier this year.

Portions of the bylaw that may still be relevant will be placed in a Works & Utilities administrative policy for internal purposes.

LEGAL/STATUTORY AUTHORITY:

Section 137 of the *Community Charter*
