4.0 TECHNICAL COMMENTS

4.1 Fire Department

Requirements of Section 9.36, Secondary Suites, of the BCBC 2006 are to be met.

4.2 Inspections Department

Building and mechanical permits required. Existing illegal suite to be upgraded to requirements of BCBC 2006.

4.3 Works & Utilities Department

Please see attached correspondence from the Works & Utilities Department dated November 12, 2008.

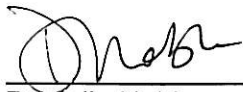

4.4 Bylaw Enforcement

City Bylaws has an open file, #08-129872 - Zoning, Illegal Suite. The complaint was received on September 2, 2008, and still remains open. City Bylaws is now aware that the owner of the property came into City Hall on October 8th and spoke with One Window staff; will be making a rezoning application to have the suite become legal.

5.0 LAND USE MANAGEMENT DEPARTMENT COMMENTS

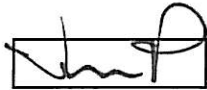

Land Use Management staff have no concerns with the proposed rezoning. The provision of secondary suites is a low-impact method of providing additional housing while preserving overall neighbourhood character. No significant impact on adjacent or nearby properties is anticipated. This Zoning Bylaw Amendment application conforms to the intent of the future land use designation for the subject property as expressed in the City of Kelowna's Official Community Plan.

Exterior alterations not requiring a Development Permit will be necessary at the Building Permit stage. Changes are likely to include removal of the garage door and replacement with a man-door and window suitable for a bedroom under the British Columbia Building Code 2006.
