Your Worship and Council:

The Kelowna Golf and Country Club have asked us to fly Santa Clause from the Kelowna Airport to the Golf and Country Club on December 6th and 13th, 2009. The helicopter would land on the 16th tee at approximately 11:40 a.m. and then return to the airport approximately 2:00 p.m. During our stay at the golf club we will be taking five lucky winners for a ten-minute helicopter ride.

We require approval from the City of Kelowna prior to our receiving approval for the flights from Transport Canada.

These flights are all strictly for Santa and the kids. All flights to and from the Kelowna Golf and Country Club are non-revenue. We look forward to hearing from you at your earliest convenience.

Yours truly,

Mark O'Brien
Northern Air Support
