Dear Mayor Shepherd,

Re: Tour of GEID's Water System Facilities and Proposed Okanagan Lake Intake and Pumpstation

The Board of Trustees of the Glenmore-Ellison Improvement District extends an invitation to yourself and all Council members to attend a tour of the GEID water system facilities.

The tour is expected to take approximately 2 hours, commencing at 9:30 a.m. and will conclude with lunch. The District will make every effort to arrange the event around the Council's availability. After consulting with the Mayor's secretary and in an effort to accommodate everyone's schedules, we offer to make arrangements on both Tuesday, August 17th and Thursday, August 26th.

It would be appreciated if you would kindly advise by August 11th who would be interested in attending and on which day they would be available.

If you have any questions, please do not hesitate to call the office and speak with Nancy Howlett.

Sincerely,
**GLENMORE-ELLISON
IMPROVEMENT DISTRICT**

Chair, Board of Trustees
