Mayor Shepherd:

I am sorry that I missed your call today and thank you for taking the time to call me back. Knowing how busy you are I really do appreciate the call.

The reason we are looking at holding at the Kelowna Community Theatre is as you assumed and the capacity and venue is better than a school auditorium.

The date that we are looking to hold the Memorial for Sindi is *October 22*. I certainly hope that you and Council would also be available but as soon as we get confirmation from Kelowna Community Theatre that the date is still available, I will obviously let you know more details. When I spoke to Randy and we were initially looking at later in the month but it just doesn't work for the family so hopefully this date works out for the KCT. It will most probably be held in the afternoon.

On behalf of the BC Cancer Foundation, I would respectfully ask that Council waive the usual fee for Kelowna Community Theatre for the Memorial for Sindi which will hopefully held on Friday, October 22. Thank you in advance for your kind and thoughtful consideration.

Respectfully submitted,
Happy Thanksgiving!
Cynthia
