Seven years ago, the British Columbia Achievement Foundation launched the British Columbia Community Achievement Awards to celebrate excellence in community service. Since that time, we are proud that these awards have recognized the contributions of 248 outstanding British Columbians involved in such fields as arts, culture, sports, education, health care, environment, public life and volunteerism.

I am writing to ask you to reflect on the objectives of the Community Achievement Awards as outlined in the enclosed information. I encourage you to think about people in your community whose spirit, imagination, dedication and commitment have truly made a difference. I hope you will consider nominating them for this special award.

Throughout my time in public life, I have had the privilege of meeting many amazing and inspirational people - great achievers who work very hard behind the scenes serving their community quietly, yet significantly. These are people from all walks of life who have made a difference by identifying challenges and working out constructive solutions. They have been instrumental in helping society progress and, ultimately, they have contributed significantly to making British Columbia such a great province.

Thank you for considering the British Columbia Community Achievement Awards as an excellent way to formally thank those who have done so much for your community.

Sincerely,

Gordon Campbell, Premier  
Board Member
