To extend the Bylaws relating to the Official Community Plan future land use designation amendment from "Multiple Unit Residential - Medium Density" to "Commercial" and the rezoning of the subject property from the existing RU6 - Two Dwelling Housing zone to the proposed C4 - Urban Centre Commercial zone in order to permit the construction of the proposed mixed-use development.

3.0 Summary

The above noted development application was originally considered at a Public Hearing by Council on May 19, 2009 and was subsequently extended to October 19, 2010. The applicant wishes to have this application remain open for an additional six months in order to reconsider the project and in order to study their market options.

Section 2.10.1 of Procedure Bylaw No. 8140 states that:

Every amendment bylaw which has not been finally adopted by Council within 12 months after the date it was given third reading, lapses and will be of no force and effect, and an applicant who wishes to proceed with its application must initiate a new application.

A handwritten signature in blue ink, appearing to be the initials "A".

Section 2.10.2 of the Procedure Bylaw makes provision for Council to consider an extension to an amending bylaw for up to 6 months beyond the 12 months deadline as stated in Section 2.10.1.

This project remains unchanged and is the same in all respects as originally applied for. The applicant wishes to have this application remain open for an additional six months as time is required to address the project requirements. The Land Use Management Department recommends Council consider the request for an extension favourably.
