The above noted development application was originally considered at a Public Hearing by Council on July 28, 2009.

Section 2.10.1 of Procedure Bylaw No. 8140 states that:

Every amendment bylaw which has not been finally adopted by Council within 12 months after the date it was given third reading, lapses and will be of no force and effect, and an applicant who wishes to proceed with its application must initiate a new application.

Section 2.10.2 of the Procedure Bylaw makes provision for Council to consider an extension to an amending bylaw for up to 6 months beyond the 12 months deadline as stated in Section 2.10.1.

By-Law No. 10207 received second and third readings on July 28, 2009 after the Public Hearing held on the same date. The applicant wishes to have this application remain open for an

additional six months in order to raise financing necessitated by servicing requirements. This project remains unchanged and is the same in all respects as originally applied for.

The Land Use Management Department recommends Council consider the request for an extension favourably.
