Subject: Bylaw to charge the 2011 Sterile Insect Release (SIR) parcel tax to specified property tax rolls.

Recommendation:

THAT Council considers the Sterile Insect Release Program Parcel Tax Bylaw No. 10519 charging the 2011 Sterile Insect Release (SIR) Parcel Tax to individual property tax rolls in accordance with the 2011 SIR Parcel Tax Assessment Roll provided to the City of Kelowna by the Regional District of North Okanagan.

Purpose:

To authorize the 2011 Sterile Insect Release Parcel Tax levy on specified property tax rolls within the City of Kelowna.

Background:

The SIR Program is an area wide codling moth management program operating in key growing areas of the Okanagan, Similkameen and Shuswap Valleys, in commercial orchards and urban areas. The SIR Board governs the service provided through bylaws of the Okanagan Similkameen, Central, North and Columbia Shuswap Regional Districts. Funding is requisitioned through a land value tax paid by all property owners in the service area and a parcel tax levied against planted host tree acreage. The SIR Program provides enforcement of area wide management and control of codling moth infestation as well as the rearing and releasing of sterile codling moths throughout orchards. This environmental friendly technique reduces the need for reliance on pesticides. Sterile insect technology allows for greater opportunities for sustainable agricultural practices such as integrated pest management controls of orchard pests. A reduction in chemical sprays benefits the entire community through less environmental impact to the air, water and soil quality, benefiting public health as well as producing quality fruit.

The program consists of two separate levies. The first levy is based on the assessed value of the land and a tax rate for each class of property (residential, utility, major and light industrial, recreational, business, and farm land), and is provided by the Central Okanagan Regional District. It applies, generally, to all property tax rolls within the City of Kelowna.

The second levy is a parcel tax applicable to all properties that are 0.30 acres or more and contain 20 or more codling moth host trees (apple, pear, crab apple, and quince). The 2011 charge of \$139.26 per assessed acre will be applied to all property tax rolls on the list provided by the Regional District of North Okanagan and are attached to Bylaw 10519.

The attached chart lists the historical annual budget figures levied on property within the City of Kelowna as well as the year over year percentage change.

Legal/Statutory Authority:

Section 200 of the Community Charter.

Financial/Budgetary Considerations:

While the SIR program is run across the 5 participating regional districts, each municipality has tax authority over their own specific area. Each municipality deals with the parcel tax and then passes on the funds to the Regional District, who then uses the funds to pay for the SIR Program.
