

DRAFT RESOLUTION

Re: Agricultural Advisory Committee

THAT Council directs the Director, Land Use Management to waive the requirement to forward applications to the Agricultural Advisory Committee until the review of the Agricultural Advisory Committee has been completed.

BACKGROUND:

During the Inaugural Address, Mayor Gray advised that Council is going to review the costs for operating each committee and will be taking the time to consider alternate forms of public input for Council.

The Agricultural Advisory Committee's Terms of Reference required the Director, Land Use Management to place certain development applications on an Agricultural Advisory Committee agenda for their recommendation prior to Council's consideration.
