

DRAFT RESOLUTION

Re: Community Heritage Commission

THAT Council directs the Director, Land Use Management to waive the requirement to forward applications to the Community Heritage Commission until the review of the Community Heritage Commission has been completed.

BACKGROUND:

During the Inaugural Address, Mayor Gray advised that Council is going to review the costs for operating each committee and will be taking the time to consider alternate forms of public input for Council.

The Community Heritage Commission's Terms of Reference required the Director, Land Use Management to place certain development applications on a Community Heritage Commission agenda for their recommendation prior to Council's consideration.
