2.0 SUMMARY

The above noted development application was originally considered at a Public Hearing by Council on June 16, 2009, with 2nd and 3rd Readings being given July 14, 2009.

Section 2.10.1 of Procedure Bylaw No. 8140 states that:

Every amendment bylaw which has not been finally adopted by Council within 12 months after the date it was given third reading, lapses and will be of no force and effect, and an applicant who wishes to proceed with its application must initiate a new application.

Section 2.10.2 of the Procedures Bylaw makes provision for Council to consider an extension to an amending bylaw for 6 month periods beyond the 12 month deadline.

Bylaw Nos. 10198 (OCP09-0001) & 10199 (Z09-0007) received second and third readings on July 14, 2009. The applicant wishes to have this application remain open for an additional six months in order to reconsider the project and in order to study their market options. This project remains unchanged and is the same in all respects as originally applied for.

The Land Use Management Department recommends Council consider the request for an extension favourably.
