[BC Mayors' Caucus Steering Committee Message:](#)

Thank you to all of our colleagues who have confirmed your attendance at the inaugural BC Mayors Caucus, May 16-18 in Penticton. Attached is the registration form for all participants.

The inaugural BC Mayors Caucus is the result of a number of conversations about the need for an annual meeting of Mayors from across our province, similar to meetings held throughout the world by local government leaders, to discuss issues facing all of our communities.

At no time have the challenges of local government been greater, while the gap in funding continues to grow and our individual and collective issues continue to fail to be heard. Whether you are a Mayor of a large or small community – many of the most pressing issues are common to us all. We believe the sharing of best practices and the formation of a united voice of Mayor's is of great importance. This initiative in no way is meant to take the place of the great work done by organizations such as the UBCM and FCM, and we intend to work with both organizations.

Thank you to all the Mayor's from across the province who have confirmed their attendance at the inaugural BC Mayors Caucus. **Please note: costs of meeting space, event logistics and meals will be spread evenly over all participants. Your \$200 registration fee covers all costs for the three day event except travel and your hotel room.**

See you in Penticton!
