1.0 Land Use Management

The above noted development application was originally considered at a Public Hearing by Council on July 26, 2011.

The applicant wishes to rezone the subject property from the RU1 - Large Lot Housing zone to the RU6 - Two Dwelling Housing zone to legalize a second dwelling on the subject property.

Section 2.12.1 of Procedure Bylaw No. 10540 states that:

In the event that an application made pursuant to this bylaw is one (1) year old or older and has been inactive for a period of six (6) months or greater:

- a) The application will be deemed to be abandoned and the applicant will be notified in writing that the file will be closed;
- b) Any bylaw that has not received final adoption will be of no force and effect;
- c) In the case of an amendment application, the City Clerk will place on the agenda of a meeting of Council a motion to rescind all readings of the bylaw associated with that Amendment application.

Section 2.12.2 of the Procedure Bylaw makes provision for Council to consider an extension to an amending bylaw for up to 6 months beyond the 12 months deadline.

By-Law No. 10551 received second and third readings on July 26, 2011 after the Public Hearing held on the same date. The applicant wishes to have this application remain open for an additional six months in order to secure the finance costs to meet site servicing requirements. This project remains unchanged and is the same in all respects as originally applied for.

The Land Use Management Department recommends Council consider the request for an extension favourably.
