

c) In the case of an amendment application, the **City Clerk** will place on the agenda of a meeting of **Council** a motion to rescind all readings of the bylaw associated with that Amendment application.

Section 2.12.2 of the Procedure Bylaw makes provision for Council to consider an extension to an amending bylaw for up to 6 months beyond the 12 months deadline.

By-Law No.10482 received second and third readings on March 8, 2011 after the Public Hearing held on the same date. The applicant has received a Court Order requiring the sale of the property and has requested that a further extension be granted to allow the property to be sold to reflect the future land developmental of the parcel. Given that a Development Permit will be evaluated prior to final adoption, staff will agree to one further extension given the extenuating circumstances.

The Land Use Management Department recommends Council consider the request for an extension favourably.
