Integrated Survey Area No. 4, City of Kelowna NAD83 (CSRS) 2002.0

Grid bearings are derived from GNSS observations and are referred to the central meridian of UTM Zone 11 (117° West Longitude).

The UTM coordinates and estimated absolute accuracy achieved are derived from dual frequency GNSS observations to CANNET Active Control Station BC\_Kelowna.

The coordinates and absolute accuracies shown on this plan are a result of an independent and accurate GNSS survey and do not represent official published coordinates.

This plan shows horizontal ground-level distances, unless otherwise specified. To compute grid distances, multiply ground-level distance by the average combined factor of 0.999899. The average combined factor has been determined based on an ellipsoidal elevation of 397 metres.

This plan lies within the Regional District of Central Okanagan.

This plan lies within the jurisdiction of the Approving Officer for the City of Kelowna.

The field survey represented by this plan was completed on the 16th day of May, 2024.

Alexander Christian Dzielski, BCLS 1035
